

Polymer Corporation Receives Supplier Excellence Award from Raytheon

Polymer Earns Coveted 4-Star Award from Raytheon Integrated Defense Systems

Rockland MA (March 25, 2020). Polymer Corporation, a leading manufacturer of plastic parts and assemblies for demanding applications based in Rockland MA, today announced that it has been awarded a 4-Star Supplier Excellence Award by Raytheon’s Integrated Defense Systems business. Raytheon’s Integrated Defense Systems business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding customer requirements. Award candidates are judged on certain criteria, including overall quality and on-time delivery. Polymer Corporation was one of 86 companies recognized by Raytheon’s Integrated Defense Systems business for 4-Star honors.

“This award is a great honor and we are proud to be a recipient,” said Bob Underwood, President and CEO of Polymer Corporation. “We highly value our long-term partnership with Raytheon and are pleased by this endorsement of our success in exceeding their expectations.”

For over 40 years, Polymer Corporation has been a leading manufacturer of high-performance plastic parts and assemblies, offering injection molding, CNC machining, ProtoParts™, its unique Liquid Resin Casting™ process, and a full range of complementary value-added services. Polymer is ISO 9001:2015, AS9100D, ITAR, and UL registered, and has a Federal Firearms License, US Government CAGE Code, and significant Mil-SPEC experience. Polymer operates from facilities in Rockland and Palmer, Massachusetts.
